

Tired Of Your Energy Hog?

Many homes have an older, less efficient heating and cooling system—an “energy hog” that’s gobbling up a big part of the home comfort budget.

When you switch to a high-efficiency Comfortmaker® heating and cooling system, you can lower your energy bills *and* get greater comfort. So turn that “hog” into a money-saving Comfortmaker unit today.

**Call your Comfortmaker dealer
today to learn more!**

Timely registration required for 10 year parts limited warranty. Limited warranty period is 5 years for parts if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

Many models are ENERGY STAR® qualified. Ask your contractor for details or visit www.energystar.gov.
