

That Sound You Hear Is Money Leaving

If your heating and cooling system is getting old, it may be making a strange noise.

It's the sound of dollar bills flying out of your home, never to return.

Many homes have an older, less efficient heating and cooling system. That translates to higher energy bills every month.

When you switch to a high-efficiency Comfortmaker®

heating and cooling system,

you can lower your energy bills and get greater comfort.

Don't let your energy dollars slip away. Get a new money-saving Comfortmaker unit today.

Call your Comfortmaker dealer today to learn more!

Timely registration required for 10 year parts limited warranty. Limited warranty period is 5 years for parts if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

Many models are ENERGY STAR® qualified. Ask your contractor for details or visit www.energystar.gov.
